

Campus Berlin-Adlershof

The Smart-X final meeting will take place at the **Max Born Hall** of the Max Born Institute

How to reach the campus

From the airport BER Berlin-Schönefeld
(total duration approx. 35 minutes)

from S-Bahn station Airport BER
Terminal 1-2 (or Terminal 5):

S-Bahn S9 (direction Spandau)
or S45 (direction Südkreuz) to
S-Bahn station Adlershof

If you **arrive by train**, get off at the station
Schönefeld or Ostbahnhof (if possible) and use
the S-Bahn as explained below. But also every
other larger station (like Hauptbahnhof or
Südkreuz) has direct S-Bahn connections to
Adlershof.

The **Adlershof S-Bahn station** can be reached
from the city center by the S-Bahn S9 (direction
airport BER), from the airport Berlin (BER) by the
S9 (direction Spandau); if you arrive at
Hauptbahnhof you can use any S-Bahn to get to
the Ostkreuz, where you can switch to S8
(direction Zeuthen) or S85 (direction Grünau).
From the southern S-Bahn ring you can take
(e.g. from Südkreuz or Herrmannstr.) S 45
(Schönefeld) or S46 (Königs Wusterhausen) to
get to Adlershof.
